

The Wealth Acceleration Institute, Inc.

Financial Services To Value – People To Trust

Open an IRA Account with the help of an Advisor of

The Wealth Acceleration Institute, Inc.

The Wealth Acceleration Institute, Inc. has been helping clients reach their financial goals for more than 30 years. Now let us help you make the most of your retirement savings - - starting with a complimentary financial consultation.

Here are some of the advantages you can expect when you work with an advisor of The Wealth Acceleration Institute, Inc:

- **FREE Estate Planning Analysis** - We will give you a FREE Estate Planning Analysis. This means that choosing to rollover at The Wealth Acceleration Institute, Inc. will give you the assurance that all of your financial affairs are in proper order.
- **Independence** – We are independent and not married to any insurance or investment company. We use only the top companies in America. We will help you choose the company and products that are right for you.
- **No quotas or production requirements** – This means that there is no pressure to make sales of any kind. We give you unbiased advice and recommendations with no sales hype. When you become a client, our allegiance is only to you.
- **Experience** – Our rollover specialists have over 30 years experience in financial services. We will give you the specialized attention you deserve. Rolling over your retirement assets to an IRA using The Wealth Acceleration Institute, Inc. is non-taxable. You will be able to:
 - **Increase your investment options.**
 - **Take control of your overall retirement plan.**
 - **Improve performance on non-performing accounts.**
 - **Move your money out of your former employer's retirement plan (401(k), 403(b), Thrift Savings Plan) without tax consequences or other penalties.**
 - **Keep your savings invested tax-deferred.**
 - **Provide better estate planning benefits than your current retirement savings plan.**

Sign up today! (You may optionally complete the form online and click “Submit”)

Fill out the form below and an advisor of The Wealth Acceleration Institute, Inc. will contact you to schedule your complimentary initial consultation. During your meeting, you'll be able to open your IRA account and discuss the financial issues that interest you the most.
